

SAY NO 2 EQT CAMPAIGN

EQT Corporation is the largest producer of natural gas in the United States and is headquartered in downtown Pittsburgh. Every year they make billions of dollars destroying our air, water, soil, and climate. An industry leader in hydraulic fracturing, EQT is also funneling millions of dollars to community organizations and events to buy a good public image.

Here Are Just A Few Of Things That EQT Has Sponsored In 2017:

- EQT Equality Pride March
- EQT Children's Theater Festival
- EQT Pittsburgh 10 Miler
- EQT Pittsburgh Regatta
- Celebrate America Festival
- Pittsburgh Light Up Night

But What Does EQT Really Stand For?

- Building Pipelines That Threaten Drinking Water Supplies.¹
- Drilling Practices That Add Up To Over A Million Dollars in Fines.²
- Fueling Climate Change By Being The Largest Natural Gas Producer In The United States.³
- Funding Conservative Politicians Who Sponsor Anti-LGBT Policies.⁴
- Being The Leader Of An Industry That Causes PA Residents To Have Disproportionate Asthma Rates.⁵
